

DROPTECH™

USB-C FLEXI-TIP- THE DURABLE, FLEXIBLE HEADPHONES ADAPTER

Gumdrop's Flexi-Tip Adapter is the perfect companion for headphones. It prolongs the life of your classroom audio collection. This flexible adapter connects to the headphones cord to provide extra protection to the vulnerable cord and plug area.

Students are tough on devices, and we know headphones are pulled in multiple directions. The Flexi-Tip Adapter helps prevent cord fraying and headphone jack breakage so classrooms can continue using headphones and headsets for years to come.

UNIT PART: 1080

Width	0.83 in
Height	2.30 in
Depth	0.35 in
